*Introducing our new principal for
Fall 2024 . . .*

Anthony Barela

WHO ARE WE?

A peregrine falcon is shown in full flight, wings spread wide, against a clear blue sky. The bird's feathers are intricately patterned with dark brown and light tan spots and stripes. Its head is turned slightly to the left, and its beak is open. The overall image conveys a sense of power and freedom.

We are SKYLINE EVERY DAY!

What does that mean?
