
SPOTLIGHT ON EXCELLENCE: SKYLINE'S OCTOBER STUDENTS OF THE MONTH

Meet Our Stars of the Month – Each month, Skyline recognizes students who go above and beyond, showcasing incredible work ethic, positivity, and dedication in their studies. Let's celebrate their achievements and acknowledge the unique contributions they bring to our school community!

PE and Health - Leo Ramirez Bautista

Creativity Shines on the Field and Screen - Leo has been recognized for his remarkable creativity in digital media, capturing the spirit of our athletics department with his imaginative projects. His work breathes new life into our school's athletic visuals, and he continues to amaze with his innovative approach!

Business - Hector Cortez

Ahead of the Curve in Business Tech - As the Business Student of the Month, Hector has shown exceptional initiative in CIS1018 PC Applications, consistently going above and beyond his assignments. His mastery of the Microsoft Office Suite is remarkable, and he stands out not only for his dedication but also for his kindness and confidence in class.

Principal's Award - Antonio Gallardo Santoyo

A Model of Kindness and Helpfulness - Antonio's generous spirit and supportive nature have earned him the Principal's Award. He is always ready to lend a hand, often without being asked, setting an inspiring example of empathy and selflessness.

Social Studies - Maddie Johnson

A Positive Force in the Classroom - Maddie is known for her exceptional work ethic and eagerness to learn. Her positive attitude lights up the classroom, and she's always ready to take on new challenges. Her Social Studies teacher feels lucky to teach her for a second time – Maddie's presence makes every day brighter.

Principal's Award - Simona Sitalo

Rising to the Challenge - Simona has shown tremendous growth and hard work this month. Her dedication to becoming a stellar student has earned her the respect and admiration of her teachers and classmates alike.

World Languages - Yazid Ababneh

Striving for Fluency with Passion - In French class, Yazid's hard work and determination set him apart. He approaches each lesson with enthusiasm, bringing energy and a strong drive to improve his language skills.

Math - Guadalupe Vera Payan

Helping Hands in Algebra - In Algebra 1, Guadalupe's commitment to excellence is clear as she assists classmates in grasping complex concepts. Her willingness to help others is commendable, and her hard work doesn't go unnoticed.

English / Language Arts - Galilea Jimenez-Ramirez

Setting the Bar for Success - Galilea is a role model in her English/Language Arts class, demonstrating what it means to strive for success. Her focus and determination are an inspiration to her classmates.

Science - McCall Duce

Positivity and Perseverance - With a positive attitude and strong work ethic, McCall is always ready to help her classmates. Her dedication to her studies in science sets an excellent example for others.

Music and Drama - Reyli Rico

Harmony and Skill Across Stages - Reyli plays an essential role in both mariachi and tech theater, bringing talent and commitment to each performance and production. His versatility and hard work contribute greatly to Skyline's performing arts community.

Family and Consumer Science - Mauricio Nunez

Curiosity and Leadership at Its Best - Mauricio's eagerness to learn and his engagement in class make him a standout student. Known for his insightful questions and natural leadership, he positively influences those around him in Family and Consumer Science.

ELD - Alexia Tarango Rosas

Thriving with Positivity and Effort - Alexia brings a wonderful attitude to her ELD class. She is driven to excel and puts her best effort into all she does, serving as a motivating presence for her classmates.

Art - Diego Mendoza

Leadership and Positivity in Every Brushstroke - Diego is celebrated for his uplifting attitude and strong work ethic in art class. His leadership among his peers, coupled with his commitment to his craft, makes him a vital part of the artistic community at Skyline.

P-TECH - Jaslene Monge

Dedicated to Future Success - Jaslene's commitment to Skyline's P-TECH program is evident – she even gave up a day off to assist in recruiting new students. Her willingness to support others and pave the way for future P-TECH students highlights her dedication.
